Our Partnership with ACBC

We live in a broken world that is filled with sin, struggle and suffering. People need help to navigate all of this. At MBCC we are committed to the belief God's Word is the greatest counseling tool available to help hurting people. We also believe that the person best equipped to help hurting people is a believer in Christ who is trained and equipped to help people with the principles, instruction and hope found in God's Word.

As MBCC trains counselors, we desire to do so with excellence. That is why MBCC has chosen to partner with ACBC (Association of Certified Biblical Counselors), an organization that has for decades been training and certifying biblical counselors. In January, 2020 MBCC became an ACBC Certified Training Center. That means that the training offered by MBCC meets the **Fundamentals Training Course** requirement for those seeking to become ACBC Certified Biblical Counselors.

The following explains how this **Fundamentals Training Course** fits into the overall process of becoming an ACBC Certified Biblical Counselor:

Phase I-Learning: Fundamentals Training Course, required reading, and counseling observations

Phase II-Exam and Application: theology and counseling exams

Phase III-Supervision: 50 hours of supervised counseling

This training meets the requirements of the Association of Certified Biblical Counselors (ACBC)
